SUPPLY DONATIONS WELCOME!

We are also happy to receive extra pencils to be kept in our classroom supply cans. We thank you in advance for any donations!

HOME SUPPLIES

At home we recommend you keep the following supplies on hand, if possible, to help your child complete homework and projects throughout the year:

- a set of colored pencils
- a fine-line black marker
- ruler
- crayons
- notebook/construction paper

For a beginning of the year activity, the fourth graders will be making a “ME” poster to show some interesting facts about themselves. Photos, magazine pictures, or stickers may be useful for this assignment. Instructions for this project will be given in class.
